Russ Plan Maneuvers Across Berlin Airlift

U. S. Flyers Fail To Spot Soviet Planes

Berlin, Sept. 25—(AP)—The Russians posted notice today they would hold maneuvers across the western airlift ones but U. S. flyers on the aerial supply highway said they failed to spot any Soviet planes.

The Russians said this morning formation flying would be practiced in an area extending from Perleberg to Finsterwalde. This would cross all the American-British-French air corridors to blockaded Berlin. They did not say when the flights would occur. Usually little advance notice is given.

Capt. Vincent Gookin, U. S. air safety officer, said at the end of the day that no such maneuvers were reported by flyers who carried another 3,725 tons of supplies in clear, splendid flying weather.

Yesterday the Russians held anti-aircraft practice fire in one of the air corridors but caused only a slight diversion in the lift and no incidents. American officials were puzzled over today's action but one suggested it might be part of a "war of nerves."

Czechoslovakia In Grip Of Vast Espionage Hunt

Prague, Sept. 25—(AP)—Czechoslovakia was in the grip of a vast spy hunt tonight. Officials hinted that the trail of plots to overthrow the communist government and blow up public buildings led to the United States embassy.

The American army Counter Intelligence Corps stationed in Germany was named as the principal villain by the Czechs. Eight persons, described as CIC agents, sent back to work in Czechoslovakia have been arrested during the week. Fifty persons accused of aiding them also have been seized.

The American embassy never has been named outright. But police at Usti-on-the-Elbe in announcing today the arrest of Josef Koch said he confessed that he had conferred with "an official of foreign nationality" in that official's embassy building. Police added that a Czech employee of the "mentioned" embassy was among those arrested.

Green Refuses Martial Law In Franklin County

Springfield, Ill., Sept. 25—(AP)—Governor Green today denied a Sept. 15 request by the Franklin county state's attorney that he declare martial law to "restore law and order in the county."

The Republican governor, in a letter replying to that of Democratic prosecutor J. Max Mitchell, said he thought Mitchell's request was motivated by a desire for "political publicity."

Green suggested the prosecutor resign if he couldn't enforce the criminal laws in Franklin county. Mitchell had written the governor he had been unable to stamp out gambling and related threats and had been unable to get county officials as well as hoodlums and the gambling element.

In his reply, Green said "You are primarily responsible for the enforcement of those (criminal) laws in your county."

"In your letter you concede that you have been unable to effectively carry out the duties of your office and that for reasons of personal health you are handicapped in performing the duties which the constitution and the statutes place upon you."

Fireworks Will Be Employed To Evict Canadian Geese

Cairo, Ill., Sept. 25—(AP)—Fireworks, aerial grenades and assorted noisemakers will come into play Monday in a move to unsettle Canadian geese camped in Alexander county's Horseshoe Lake refuge.

State and federal conservationists hope to make the place too noisy or the honkers to remain. They figure the birds will look for other quarters, and say the eviction will afford protection for corn and soybean crops of farmers in the Horseshoe area.

The U. S. fish and wildlife service will have two planes in the air to drop the grenades.

The first geese from northern feeding grounds already are on hand.

De Gaullists, Communists Near Clash In France

(Editor's note: efforts of the group of "center" parties to hold France on a middle course between the right and left have developed into an almost continual political crisis. Premier Henri Queuille, a conservative, is in the saddle. But he is facing growing demands for new elections which would give a new majority in the legislature. Preston Grover, chief of the Paris bureau of the Associated Press, reviews the situation in the following week-end dispatch.)

Paris, Sept. 25—(AP)—The ultimate clash of communists and De Gaullists draws steadily nearer in France. A wavering coalition of Centrist parties gained a reprieve by settling this week end of their scuffle over when to hold local elections.

Formally Indict 'Tokyo Rose' For Treason To U. S.

San Francisco, Sept. 25—(AP)—Mrs. Iva Toguri D'Aquino, 32-year-old California-born Japanese, was brought here today from Japan and was charged with treason for alleged "Tokyo Rose" propaganda broadcasts during the war.

The small, slight woman is accused of being one of six Japanese broadcasters known to American G.I.s. She arrived on the army transport General H. F. Hodges.

The government formally filed the charge of treason as the ship docked.

Wearing a plaid suit, a white halo ribbon around her dark hair, Mrs. D'Aquino was turned over to the FBI by her trio of army guards and questioned by government officials. Enroute to her arraignment before U. S. Commissioner Francis S. J. Fox, she smiled slightly to news photographers, but made no effort to avoid photographers.

President Peron Shakes Up Cabinet After Murder Plot

Buenos Aires, Argentina, Sept. 25—(AP)—President Juan Peron moved to strengthen his cabinet today 24 hours after police had announced uncovering of a plot to assassinate him and his wife and overthrow the government.

The president accepted the resignation of the navy minister. Rear Adm. Fidel Anadon, one of his top-ranking advisers. In the absence of Foreign Minister Juan Bramuglia at the U. N. Assembly in Paris, Anadon also has been acting foreign minister.

In his place, Peron appointed Enrique Garcia, 56, only full admiral in the Argentine navy.

Buenos Aires was quiet today after hearing Peron personally denounce John Griffith, former U. S. cultural attaché at the U. S. embassy, as instigator of the assassination plot allegedly set for next Columbus Day, Oct. 12.

The president's denunciation was made before thousands of workers gathered before the presidential palace last night in a mass demonstration of loyalty. The pro-Peron General Confederation of Labor had called a 14-hour general strike to permit workers to attend the demonstration.

Greeks May Chase Reds Into Yugo If U. N. Fails

Paris, Sept. 25—(AP)—Authoritative United Nations sources said today Greece may chase communist guerrillas into Yugoslavia and Albania if the U. N. fails to end aggression along Greece's Balkan borders.

They made the statement after Greek Foreign Minister Constantinos Tsaldaris said in an interview that his country expects "practical decisions in order to avoid that certain members of the U. N., admittedly victims of aggression, should declare themselves in a state of legitimate defense."

Tsaldaris did not elaborate on "legitimate defense" but the informants said Greek authorities interpret that phrase to include the sending of troops across the borders to track down guerrillas.

It was stressed that such action might not involve an actual Greek declaration of war against northern neighbors, accused by Greece of actively aiding the guerrilla forces.

Albania protested to the U. N. today that Greek forces were violating her frontier.

President Blasts Head Of Public Works Committee

Aboard Truman campaign train, Sept. 25—(AP)—President Truman interpreted the written word of Rep. Dondero (R-Mich) today as meaning Republicans in Congress want to put control of electric power in the hands of "hijackers."

That, he said, is "so they can stick you with high prices."

The president jumped on the chairman of the House public works committee as he roared into Texas for a four day campaign. Dondero was the target in a speech at El Paso.

In midafternoon Mr. Truman spoke again to a train-side crowd at Sierra Blanca where some of the audience were mounted on prancing horses.

He merely thanked the people for coming out and didn't get into campaign issues at all. Cowboys Marion Carroll and Charles Norton rode up on a cayuse to shake Mr. Truman's hand.

"Shoot boys quick," the president called to the photographers as the horses began cutting up.

John Wood of the state police estimated the turnout at about 3,000. The president's speech at El Paso was his first campaign appearance in the traditionally solid South and in territory where states rights Democrats have rebelled against his civil rights stand.

He read parts of an article he said Dondero wrote for a magazine two weeks ago. Mr. Truman said present laws let the government build lines to get power from public dams to the users at the lowest possible rates. Then he quoted Dondero as saying the next Congress "can and should" change those laws.

Young Gunmen Hold Up Bank In Iowa Village

Sheffield, Ia., Sept. 25—(AP)—Two unmasked young gunmen held up the Sheffield Savings bank at mid-afternoon today and escaped with an estimated \$8,000 in cash.

H. L. Webb, cashier, said the men lined four employees and a customer against the wall, scooped the loot into a black zipper bag and fled in a 1940 sedan.

They were last seen driving north along a country road leading out of this town of 1,100 population which is located 30 miles south of Mason City.

Illinois Building Permits Show Two Per Cent Decrease

Chicago, Sept. 25—(AP)—The value of building permits issued by 220 Illinois cities during August showed a two per cent drop from July, the Illinois Department of Labor said today.

Robert L. Cordon, director of labor, said, "projects increased two per cent, but estimated valuation decreased 20 per cent."

"During August, permits were issued for 5,961 building projects at an estimated cost of \$37,939,222. About 1,800 of the projects were new residential construction," he said.

Among the larger valued permits issued were an office building in Calumet City, Ind., to cost \$315,000, a water filter plant and a dealer's garage in Moline to cost \$1,264,232 and \$200,000 respectively, and a Zion school to cost \$203,220.

Building reports were received from Chicago, 101 suburban cities, and 118 downstate cities.

Georgia Farmers Touring North For New Ideas

Hamilton, Ga., Sept. 25—(AP)—A group of businessmen and farmers, engaged in bringing worn out Georgia land back to fertility, are heading north to get new ideas for better farming.

A special trainload of 175 Georgia business and farm operators will leave Atlanta Oct. 3 for eastern and midwestern points.

All have put money into a land use program originated by Cason J. Callaway, one of Georgia's wealthiest men and a large farm operator. He is financing the trip to show the Georgia experimenters the profit in fertile land and the handicaps Georgia farmers work under, compared to other sections.

Callaway set up a novel "better farm" plan for Georgia four years ago. It was designated to show the practicability of starting with poor land and a small investment and building up a \$20,000 farm.

He organized 100 corporations. Each corporation has seven community businessmen and farm leaders as shareholders who invested \$1,000 apiece. Each corporation bought a run-down Georgia farm of from 75 to 100 acres and selected a man with farming experience as manager. The "better farms" were set up in 65 widely distributed counties.

New York, Sept. 25—(AP)—The hour that disappeared last April came back this morning.

Daylight saving time officially ended at 2 a. m. today in the various time zones and some 53,000,000 persons took advantage of it for an extra hour of sleep or an early start on today's activities.

They turned the clock back one hour at 2 a. m.—or whenever they went to bed—and regained the hour they lost on April 25.

Dewey Calls For Upsurge In U. S. Production To Curb Inflation

San Francisco, Sept. 25—(AP)—Gov. Thomas E. Dewey called tonight for a "great upsurge of production" as the keynote of a six point program to curb inflation.

The Republican presidential nominee laid down the blueprint in renewing his charge that the Democratic administration "has for years been openly, avowedly, deliberately discouraging production and trying to raise prices."

In a major campaign address prepared for delivery (9:30 p. m. CST), Dewey said:

"Those policies have reflected the administration's basic lack of understanding of the simple fundamentals of our economic system and its tragic lack of faith in the future of America."

The New York governor outlined this anti-inflation program to an audience at Civic Center:

1. "I propose that we bring to Washington an administration of able and honest men and women who have the courage to tackle this problem of high prices and inflation, and to tackle it effectively."
2. "I propose that we put a brake on unnecessary government spending."
3. "One of the most effective ways to stop inflation is reduce the national debt."
4. "I promise you that in your next administration there will be no place high or low, for anyone who will speculate in grain—or any other commodity—at the price of human misery."
5. "That was a reference to the congressional investigation which Republican leader, Harold E. Stassen, charged Edwin W. Pauley profited in market speculation on the basis of "inside" government information."
6. "As perhaps the most important step, I propose that we start vigorously supporting our American system of free opportunity by a government which has faith in it and wants it to succeed."

Chicago Man Kills Self In Cab After Warning Driver

Chicago, Sept. 25—(AP)—Benjamin Drake, 38, shot himself in a taxicab today, police reported, after telling the driver: "I'm going to kill myself."

He died almost instantly. The taxi driver, William Schula, told police he had taken Drake to several wholesale fish markets, which Drake was visiting as an employee of a fish company. Drake had run up a bill of \$8, Schula said, when they reached a market at 708 West Fullerton avenue.

"I am going to kill myself," Schula told police Drake said. "Go in and see Mr. Weiss and he will pay you the \$8."

The cab driver related he tried to argue with Drake but that his passenger took a revolver from his coat pocket and shot himself.

Viola Hutmacher Claims Title Of 'Miss Television'

Chicago, Sept. 25—(AP)—Miss Viola Hutmacher, 21, of Quincy, Ill., tonight was crowned "Miss Television" at the national television show in the coliseum.

Miss Hutmacher, who is "Miss Illinois of 1948," won the title over four other finalists, selected from a field of 18 contestants.

The Quincy beauty sang one number as her talent contribution. The contestants also paraded in bathing suits.

The contest was held before an audience estimated at 3,500. The show was televised over the ABC network by WENR-TV, which opened a week ago.

The program was carried to St. Louis, Milwaukee, Cleveland, Detroit, Cincinnati, Toledo and Buffalo.

Judges included George Petty, illustrator; Bill Sallie of Marshall Grant Pictures; Dave Garraway, Chicago disc jockey; Ric Riccardo, artist and restaurateur; Benedict Gimbel of WIP, Philadelphia, and Larry Brock of Carson Pirie Scott & Co.

Russian Also Urges Ban On Atomic Bomb

BULLETIN
London, Sunday, Sept. 26—(AP)—Russia demanded today in a statement broadcast from Moscow, control by the Soviet command of all transport from Berlin to the western zones of Germany.

Paris, Sept. 25—(AP)—Russia's fiery Andrei Y. Vishinsky today urged the five great powers to scrap a third of their land, sea and air forces and demanded a ban on the atomic bomb.

The Soviet deputy foreign minister told the United Nations general assembly in a rapid-fire, 50-minute speech that a group of leaders in the western bloc are mapping an atomic war against Russia. He blasted the United States as leading a "wild armaments race" and seeking to dominate the world.

Western power delegates, particularly those of the United States, tagged his speech "old stuff." British Minister of State Hector McNell called it "warmed-over hash."

Attacks Forrestal
For the second straight year the former Soviet prosecutor singled out Defense Secretary James V. Forrestal in his vehement attack against the west. He said Forrestal is a leader in the group of men laying "flashy colored plans" for using the atomic bomb to destroy such Soviet cities as Moscow, Leningrad, Kiev, Kharkov and Odessa.

The general feeling of delegates, as expressed to newsmen, was that Vishinsky's policy speech to the 58-nation assembly was merely a warmed-over version of the arms limitation demand put forward in the 1946 assembly by Foreign Minister V. M. Molotov and Vishinsky's own attack of last year on what he called warmongers.

Feel Keen Disappointment
"We feel keen disappointment that Vishinsky failed to meet Secretary of State Marshall's calm, conciliatory address of last Thursday, an American official said. "His address was essentially an attack on the U. N. program over the past two years. We didn't hear a single word favorable to the U. N."

The United States delegation later issued a statement welcoming Vishinsky's emphasis on arms limitation and offering to proceed toward implementing such a program within the U. N. machinery.

"The United States government will give willing and careful study," the statement said, "to any proposal for regulation of armaments which complies with the control plan of the (U. N.) Atomic Energy commission or with the principles governing regulation of conventional armaments approved by a majority of the members of the commission for conventional armaments."

Vishinsky called on the assembly to set up "within the framework of the Security Council" an international control body to carry out reduction of armaments and armed forces of the United States, Russia, Britain, France and China. His proposed one-third slash would be put into effect within one year.

Stevenson Strikes At Republican 'Ward Healers'

La Salle, Ill., Sept. 25—(AP)—Adlai E. Stevenson said tonight that "the Republican ward healers who ring your doorbell and ask you to vote for the Green gang are being paid out of your pockets at an average of at least \$200 per month."

Stevenson, Democratic candidate for governor said in a speech prepared for a political rally that some county lists show the payroll has increased as much as 300 per cent since 1939.

Governor Green, Stevenson said had promised to "remove every payroll parasite, but instead has 'obstructed every effort to find out what the real payroll is.'"

Through "inflated payrolls," Stevenson said, Gov. Green has "shaken down not only businessmen, contractors and civil servants, but he has shaken down every man, woman and child in Illinois."

'Greatest Guernsey Of All Time' Dies

Chicago, Sept. 25—(AP)—A cow, termed by her owners as the greatest Guernsey of all time, died yesterday at the Curtiss Candy Company farm near Cary, Ill.

She was Quail Roost Noble Primrose, bought by Curtiss from the Quail Roost farm in Kogonemont, N. C., in 1945 for \$17,000. Her first calf sold at auction for \$10,500.

The cow was senior and grand champion female and winner of the best udder class at the Dairy Cattle Congress, Waterloo, Ia., in 1946 and 1947. She gave birth to a heifer calf Monday.

The Norbury Sanatorium, cooperative observer for the U. S. Weather Bureau, yesterday reported the temperatures for Saturday as follows: high, 70; low, 48; and 65 at 7 p. m. Forecasts for Illinois—Fair with little change in temperature Sunday.

POLITICAL CHANGES IN SWEDEN

Sweden's Social Democrats, while still having more seats in the rikstag than any other party, will be able to retain control with some other party, probably the Communists.

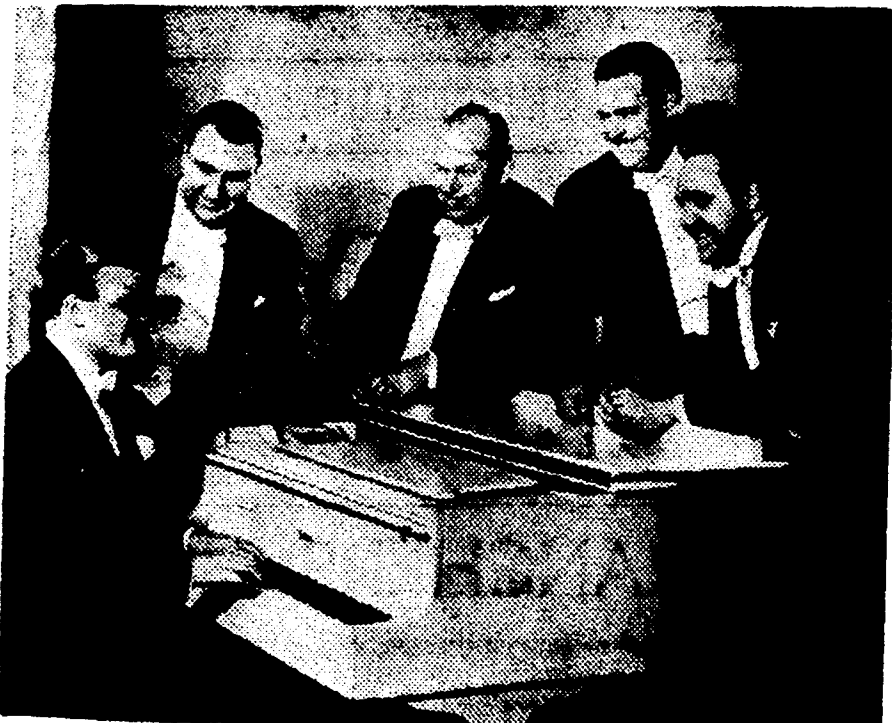

This change was fully expected, for Sweden's economic position has deteriorated badly in the last year. When people are having financial troubles, no further cause need be sought for a political turnover.

The economic patent medicine put out by the Social Democrats will receive a generous share of the blame. Not A. Barrows of the Chicago Daily News reported from Stockholm last week that Social Democratic controls have increased to the point of bewilderment, but, since this is an election year, only 30 or 40 per cent were effective.

More to the point, the Social Democrats tried to prolong a standard of living that was not supported by the realities. Not enough of Swedish goods was diverted into exports; in consequence, the government ran out of dollar credits and had to discontinue purchases of U. S. goods except in a very small volume. The goods that could have been used to obtain the dollars were consumed by the Swedish people.

That is the trouble in England today, but England is getting U. S. dollars for the asking. And both in England and Sweden the living standard, even under unrealistic measures, is well below ours. It seems only right that no more of their own production be shipped away. But what is right and what is financially possible are two different things.

To Give Reception Sunday Afternoon For Newlyweds

A reception honoring Mr. and Mrs. J. Wendall Rawlings will take place Sunday afternoon from two to five o'clock at the country home of Mr. Rawlings' parents, Mr. and Mrs. J. E. Rawlings, east of the city.

Mrs. J. Wendall Rawlings

Mrs. Rawlings is the former Miss Clara Ione Wehner, daughter of Mr. and Mrs. John H. Wehner of Havana. The couple were married in a double-ring wedding ceremony performed by the Rev. J. A. Mulligan at 4 p. m. Sept. 18 at the First Methodist Episcopal church in Joliet.

Attending the couple were the bride's sister, Mrs. S. G. Hickman of Louisville, Ky., as matron of honor, and Francis M. Neece of Gardner, Ill., cousin of the bridegroom, as best man.

Beard trimming accented the pearl gray suit worn by the bride. Her accessories were green and her corsage was of orchids. The matron of honor was attired in a crepe suit of forest green, with gold accessories and a corsage of white carnations.

A dinner for members of the wedding party took place in the Rose Room of the Joliet hotel immediately following the wedding.

After the dinner the couple left on a wedding trip through the north. They plan to reside on a farm in the Durbin community.

The bride was formerly employed by the government in the Joliet arsenal as office supervisor in the property division.

On the moon, there would be no employment for a weather man, since the weather is always the same.

Skating Vanities At State Arsenal

Symphony In Waltz-Time, portrayed here by the glamorous waltzing pairs Lon Halls and Jean O'Meara, Eileen McDonnell and Frank Foster, surrounded by a bevy of beauties of the Vanity-Fair precision chorus in their fabulous hoopskirted, purple satin and velvet, bequeathed costumes with crystal chandelier headresses that actually light up (small batteries are concealed in the folds of the skirt). These costumes, which cost a mere \$1,100 apiece, are only one instance of the extravagance and expense that has gone into making the breath-taking Skating Vanities of 1949, which is coming to the Springfield, Illinois State Arsenal, Oct. 5th through 10th.

Coming direct from the Chicago Stadium, Skating Vanities is produced on a sound-proof masonite floor that glistens like ice, yet does away with the roar of the roller-wheels. Hundreds of eye-filling costumes, exquisite lighting effects, and magnificent staging makes this beautiful fantasia a production miracle that spectators everywhere are loudly applauding.

Tickets for this \$1,000,000 show which is being sponsored in Springfield by the Optimist Club, are on sale now at the Thrifty Drug Store, 228 South Fifth street, Springfield. Mail orders will be accepted and given every attention.

Lioness Club To Take Scouts To New Salem

At its regular dinner meeting held at the Dunlap hotel, the Lioness Club made plans for taking the Girl Scout troop which it sponsors at Jefferson school on a trip to New Salem.

It was also decided to hold an attendance contest. Miss Mary Walters and Mrs. Emmett Barton will serve as team captains.

The meeting was opened with the pledge to the flag led by Lioness Cowgour, followed by the Lord's Prayer said in unison.

The business session was presided over by the immediate past president, Mrs. Harold Ludwig, who presented a report on the recent cancer conference.

The musical portion of the program consisted of vocal selections by Miss Doris Souza, accompanied at the piano by Mrs. Melvin Smith. An illustrated talk on gemology was given by Mrs. Frank McCarthy.

The free meal was won by Miss Mary Walters. Winners of the table decorations were Lionesses Schuette, Stapleton, Reynolds, Kendall and Lucille Walters.

The next regular meeting will be on Oct. 28 when the Lionesses will entertain their husbands. The program will be in charge of Lionesses Kirchhoefer and Quay.

Stout-Maurer Nuptials Take Place Saturday

Couple Wed In Morning Rites At Church

Patricia Ann Doolin, niece of the bride, who served as flower girl, wore a blue floor length gown and in her hair a band of pink roses. She carried a crocheted basket from which she scattered rose petals.

For the wedding, the bride's mother chose a dress of black crepe with black accessories and a corsage of pink carnations. The groom's mother was attired in a dress of forest green crepe with brown accessories and a corsage of bronze chrysanthemums.

Held Reception At Hotel
Immediately following the ceremony a reception was held at the Dunlap Hotel. A three-tiered wedding cake topped with a miniature bride and groom, centered the serving table, which was decorated with bouquets of chrysanthemums. Miss Joan Wolfe and Miss Frances Wolfe, cousins of the groom, Miss Joan Crawford and Mrs. Eugene DeGroot, assisted with the serving. Music during the reception was furnished by Allan Smith at the piano.

Mrs. Stout is a graduate of Jacksonville High school and has been employed at the New Method Book Bindery. Mr. Stout was graduated from Jacksonville High school and Hardin Brown Business college and served overseas with the 87th Infantry division during the war. He is now employed by the law firm of Bellatti, Arnold & Fay.

As the couple left for a wedding trip to the east coast the bride was wearing a Kelly green suit with black accessories and an orchid corsage. Upon returning to this city they will be at home at 1334 South East street.

Finish Repairs On Riverfront At Beardstown

Beardstown—The break in Beardstown seawall which occurred June 11, when a section of the concrete barrier gave way, has been prepared and the city now has the protection it had before the break. It was announced here by Col. Dalby O. Elliott, engineer of the Great Lakes corps of army engineers.

Colonel Dalby, accompanied by Col. W. P. Trower, district engineer of Chicago under whose jurisdiction work in the Beardstown area falls, inspected the completed work on the wall and other projects in this district, including the Coal Creek drainage district and the work at the mouth of the Sangamon river.

Another year's progress at Havana

Near Havana, Illinois, our modern new power plant is steadily progressing towards completion. With an estimated ultimate capacity of more than 200,000 KW, it will supply the territory to be served with more much-needed power.

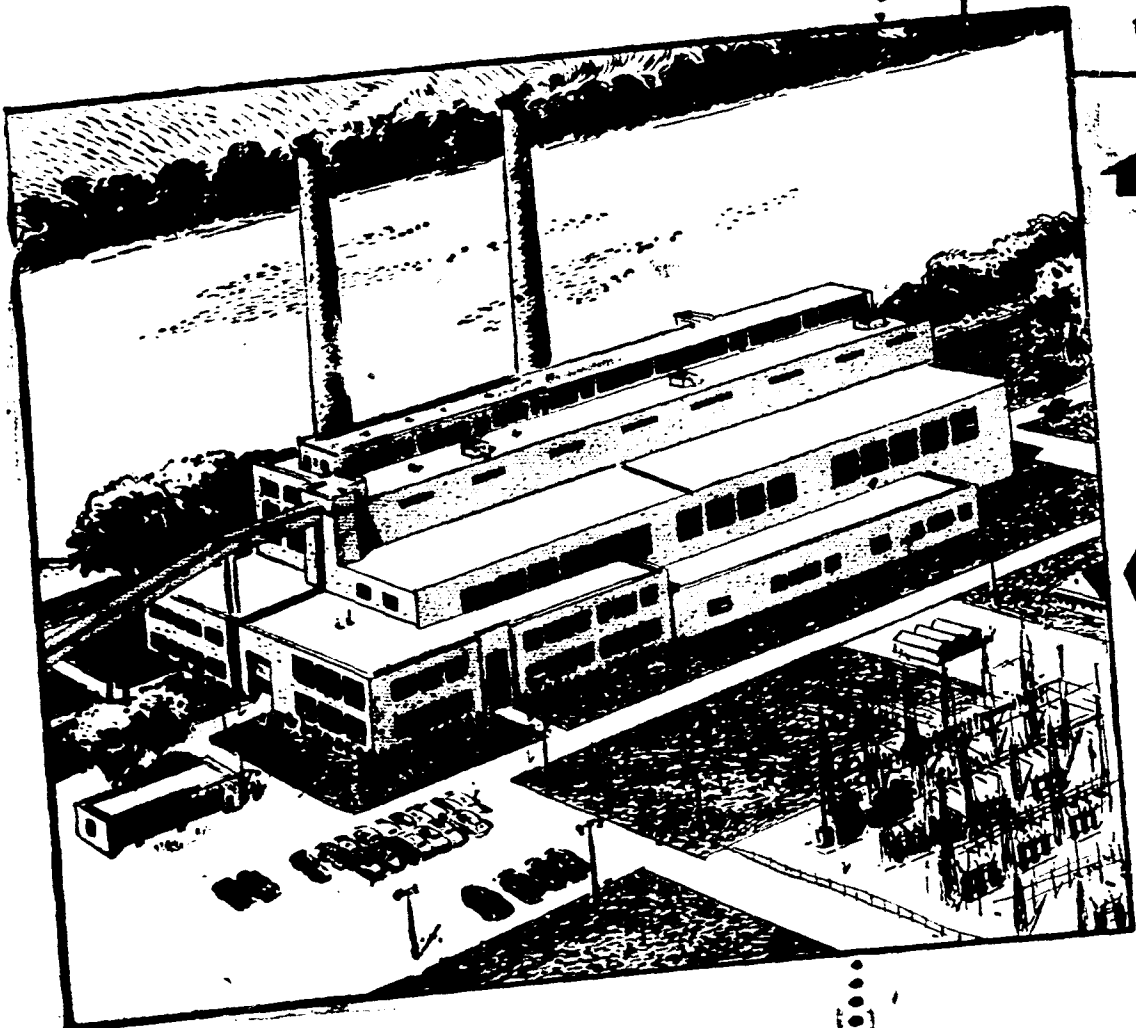

This is a major part of our improvement program. And soon we'll report to you on our Wood River plant where good progress is being made, too.

Despite continued scarcities of skilled manpower and vital materials, our improvement program is moving forward—with the one big aim of providing you with the best possible electric service that today's conditions permit.

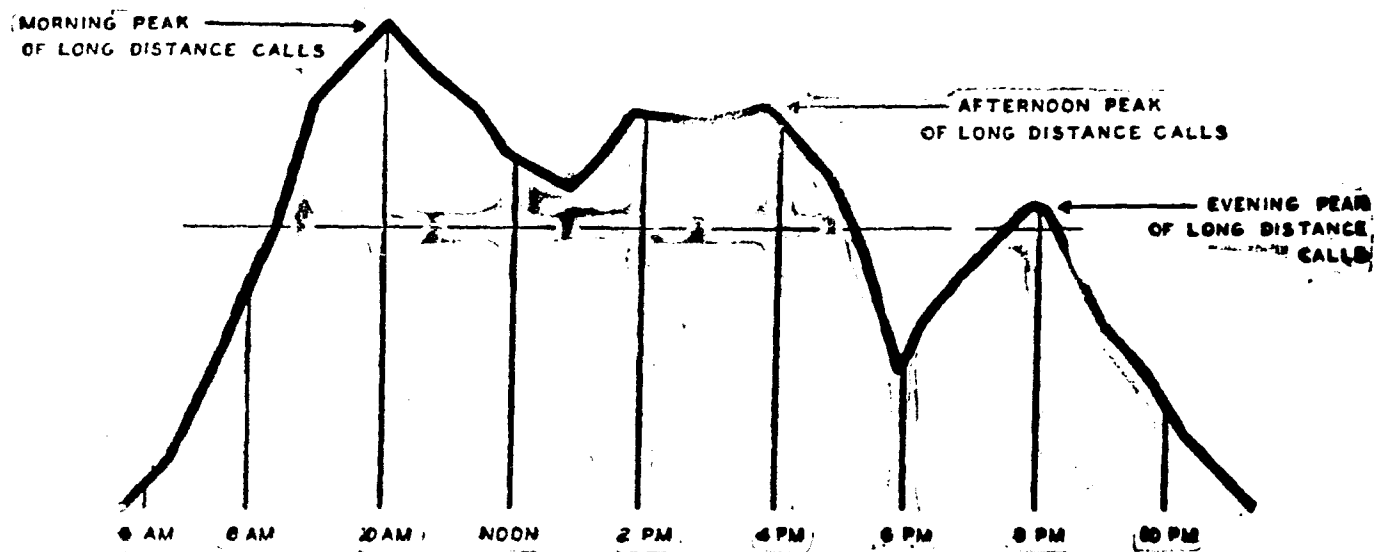

JULY 1947 Air view of the Havana power plant shows a portion of the building completed. One stack was up. Some equipment was installed.

JULY 1948 Practically all brick-work is completed. Two stacks are up (the plant will have three). Two turbines are operating at full capacity and a third is being installed. Everything possible is being done to insure the operation as scheduled of the five turbines contemplated under our present plan.

ILLINOIS POWER COMPANY

Our Long Distance Traffic Curve

This is a picture of our long distance business on a normal week day. It's a curve of "peaks and valleys," where the peak of business is between 9:00 and 11:00 in the morning. One-fifth of all toll calls are normally placed between those two hours.

In order to complete our long distance calls on a "hold the line" basis, we must have enough equipment and out-of-town lines to carry not the average but the peak load. On many days, this peak fluctuates, and our equipment at present just can't carry certain peak loads.

When the long distance calls are more than the lines and switchboards can handle, we record and release certain calls, such as those where the circuits are busy, or where it is necessary to go through a second town, or where directory service is necessary. During some forenoon hours, and occasionally in the afternoon, the long distance calls originated exceed our capacity. At these times, calls are recorded and released—

- So that the operators can give a reasonably prompt answer to others waiting to place calls.
- So that each call, except urgent calls, will be placed in its proper turn to be completed.
- So that you are advised of the estimated delay in order that you may have some idea when to expect your call to be completed.

Additional long distance equipment is on order to adequately handle peak loads without frequent delays. This, however takes time.

Meanwhile, you may help by—

- Avoiding the peak hours of 8:30-11:30 in the morning, if possible.
- Conserving operation time by supplying the number you are calling, and avoid requesting the operator to try your call again before the quoted delay time has passed.

Your long distance operator appreciates your consideration.

Do you want to be
an OFFICER?

... OPPORTUNITY
for High School Graduates,
for Reserve, National
Guard and AUS Officers

Because of the large numbers of men now entering the Army, there are increased opportunities for high-caliber young men who would like to become commissioned officers.

**Qualified High School Graduates Can Now Enlist
for Officer Candidate School**

This is important news to ambitious young men between 19 and 28 years old, who have graduated from high school or can pass an equivalent examination. If you are a citizen of the United States and can meet the necessary requirements, you may enlist in the U. S. Army for the specific purpose of attending Officer Candidate School, provided, of course, that quotas are not filled.

When your application is approved, you will be enlisted in the Army in the grade of Sergeant (formerly called Staff Sergeant).

If you have not had basic training you will be given this training before entering Officer Candidate School.

Successful candidates will be commissioned 2nd Lieutenants in the Officers Reserve Corps and placed on active duty for two years. Distinguished graduates of OCS

who meet requirements will be given direct commissions in the Regular Army. Other qualified OCS graduates may compete for regular commissions during their active duty tours. Unsuccessful candidates will serve out the term of their enlistments.

You can get full details about applying for a commission at your nearest U. S. Army and U. S. Air Force Recruiting Station.

**Active Duty for Reserve, National Guard
or Former AUS Officers**

If you are a member of the Officers Reserve Corps, National Guard or a former AUS officer there are excellent opportunities to return to active service. AUS officers will be given reserve commissions upon their request which may be submitted along with the application for active duty.

Officers entering active duty are assured re-employment under the Selective Service Law upon relief from duty. While on duty they accrue retirement equity under the recent reserve retirement law passed by Congress. Get full details from your Reserve Unit Commander, or from the Commanding General of your Army Area.

45 Men Take Flight Training At Airport

Forty-five students who enrolled prior to July 1, 1948, are completing their hours at the Jacksonville airport. All of the students are taking commercial pilot courses which consist of 265 air hours. Each is required to fly a minimum of eight hours per month or he is automatically dropped from the school by the Veterans Administration.

Fred Wharton, manager of the Jacksonville airport, said Saturday that no new applications for flight training have been approved by the Veterans Administration to his knowledge since July 1, and if the

bottleneck is not broken, GI students will soon be a thing of the past.

Fight to Save Law
A stiff fight is still being waged by the National Aviation Trades association and the Illinois Airport Operators association, of which the local airport is a member. The 80th congress passed the "Brooks amendment" submitted and fought for by U. S. Senator C. Wayland Brooks. The approved proposal directed the Veterans Administration to enroll veterans in flight training and related courses when such instruction was to be used in connection with their present or proposed business.

The pilots have at their disposal Cubs, Aeronaics, Taylorcraft super cruiser and a 220 h. p. Waco. A Stinson and Cessna will soon be out of the airport shop and added to the fleet of trainers. During the winter the planes are equipped with skis so that there is no letup in schedules.

Personnel of Airport
The personnel of the airport consists of Herbert G. Moore, in charge of flight operations; Ronald Hoffman, in charge of the shop and general maintenance; Bill Hart and Earl Cannon, "line service"; Ann Cannon, who handles the airport snack-bar; along with the flight logs, and John Agger, P. Byron Smith and S. W. Dinwiddie, who conduct the ground school classes which run two hours per week from October through May. Subjects taught are navigation, meteorology, civil air regulations, aircraft, engines, radio.

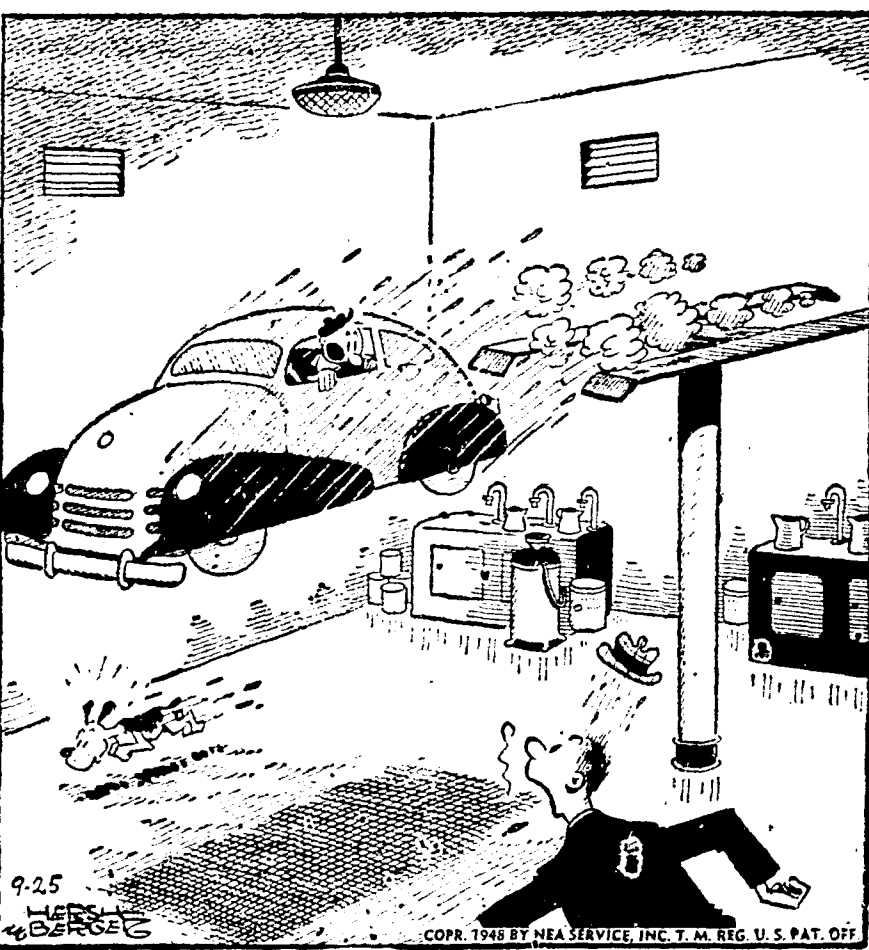

Enrolled For Training

Students now taking flight training here under the GI training program are William A. Allen, George Ashby, Russell Barnes, Ed Barnes, Walter Benner, Harold Birk, Wm. Bond, Earl Brown, Robt. Brown, Earl Cannon, Glenn W. Carter, H. I. Cohn Jr., Woodrow L. Cook, Henry Green, William Green, George A. Greenler, Luman W. Goheen, Charles E. Hayes, Herbert H. Hundley, Paul Keenan, Jesse Kinnett, John Davidson, Dewey Herrin, Frederick Longstaff, Charles Darrell Jokisch, Billy Edward Hart, Wm. M. Durham, Charles I. Calvin, George H. Mason, Robert E. Millsap, William T. Neat, William D. Pembroke, William A. Prewitt, Clyde Phillips, Harold Rouland, Lloyd S. Ruby, Lloyd M. Sauer, Paul W. Sieving Jr., Harry Lee Waters, Robert Weitzer, David D. Walker, Durward I. Williams, Merle Watts.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Sept. 25.—(P)—Hog receipts for the week end were the smallest in several weeks, and well below estimates. There were few outside orders and the local outlet limited, with the result the market was dull and weak.

Barrows and gilts were steady to 25 lower; butcher hogs of most weights were 25 to 50 below quotations of last week. Sows, however, were higher and closed 25 to 50 higher than last week. The weeks top was \$30.25, paid Monday.

Compared with last week, slaughter steers of best grades were steady to 50 higher with lower grades up evenly 50 to \$2 lower. The week's top was a record high of \$41.60 paid for four loads of prime feed steers. Good to choice spring lambs and all grades of slaughter ewes recovered most of losses early in the week. Good to choice spring lambs were largely steady, except that the extreme top was 50 lower. The bulk of good to choice spring lambs went at \$23 to \$24.

FLURRY OF SELLING AT MARKET'S CLOSE SENDS GRAINS LOWER

Chicago, Sept. 25.—(P)—All deliveries of grain worked lower at today's session of the Board of Trade. Toward the close a flurry of selling carried all grains to the day's low.

There was some selling in wheat attributed to Northwest interests, although at the start these interests

were on the buying side. Large purchases on a to arrive basis in corn, and a decline of around 5 cents in the cash market weakened the yellow cereal. Wheat traders continued to display disappointment over the small interest shown by domestic flour trade.

At the finish wheat was 1 to 2 1/2 lower than yesterday's close, December, \$2.23-23 1/2. Corn was 2 1/2 to 3 lower, December \$1.37 1/2-1. Oats were 1 to 1 1/2 lower, December 72 1/2. Rye was 1 cent to 2 1/2 lower, December \$1.57 1/2 and soybeans were 5 1/2 to 8 cents lower, November \$2.34-32.

Preliminary estimated receipts of grain in carlots here today were: wheat 28, corn 114, oats 32, rye 3, barley 9, and soybeans 17.

Chicago Cash Grain

Chicago, Sept. 25.—(P)—Wheat: none. Corn: No. 1 yellow \$1.70; No. 2 yellow \$1.70-71; No. 3 yellow \$1.69.

Oats: Sample heavy white 72 1/2. Barley nominal: feed seed nominal. Sweet clover 16.50-17.50. Red top 46.00-48.00; timothy 10.00-12.50. Soybeans, none.

Markets at a Glance

Chicago, Sept. 25.—(P)—Wheat—weak; trade disappointed in flour demand. Corn—weak, lower cash market good arrivals from farms. Oats—about steady; demand fair. Soybeans—weak; good crop prospects.

Hogs—nominal; lower. Cattle—nominal; steady.

Waverly II Scores In Last 6 Seconds To Defeat Auburn

Waverly—(Special)—Two passes in the last six seconds of play provided a story-book ending for Waverly's homecoming football game here Friday night as the Scotties overcame a 0-0 tie and captured their first victory of the season—a 6-0 triumph over an old foe, Auburn.

With the ball on the Auburn 40-yard line, Allen dropped back and heaved a bullet pass to Fitzpatrick on the 20. Fitzpatrick dashed to the one-yard line before being brought down from behind. With time almost out, the Scotties launched another aerial, this one from Mitchell to Peters, which was good for the game's only counter.

Auburn threatened only once, in the fourth quarter, when a Waverly fumble was almost disastrous. The Scotties held on their own 15, however.

The Scottie line held Auburn's offense at bay most of the way. It was only the excellent passing of Presker which kept the visitors in the ball game.

The score by quarters: Waverly.....0 0 0 6-6 Auburn.....0 0 0 0-0

Officials: Schofield Springfield, referee; Horvath, Springfield, umpire; Easley, Virden, head linesman.

Last Home Games For Cardinals This Week

St. Louis, Mo., Sept. 25.—(P)—Now making their last road trip of the season, the Cardinals return to Sportsman's Park Tuesday night to play the final six games of the National League campaign with the Pittsburgh Pirates and Chicago Cubs supplying the opposition.

The amazing Pirates, virtually assured of the title "surprise club" of the major leagues no matter where they may finish, play three night games against the Cardinals—Tuesday, Wednesday and Thursday. That this series will have a definite bearing on the final standing of the clubs seems a foregone conclusion.

And, of course, wherever the Pirates appear, slugging outfielder Ralph Kiner is one of the big attractions. Kiner, in his third National league campaign, has already added more home run laurels to his

IT DOESN'T TAKE SIZE to make a winning football team. And, apparently, Coach Yates has moulded a winning combination from a bunch of 145-pounders.

THE TIGERS STILL have some tough ones coming up. But their schedule gives I.S.D. fans hopes for a most successful campaign. Four other deaf schools and three Illinois high schools remain on the chart.

PITTSFIELD'S SAUKES still look like the team to beat in this area. We'd like to see them battle it out with Quincy, but since the schedule doesn't call for a game of that kind, we'll have to be content to pick the Saukees as our choice as eventual winners.

ALTHOUGH QUINCY was heralded as one of the best eleven in Illinois this season, they just don't have the stuff to make a championship outfit. Their line is weak, compared to what it should be. And their backfield seems to boast no more than a couple of speed merchants. No passing attack and no line-bucking fullback were evident in the tilt against J. H. S.

ROODHOUSE AGAIN looks strong in the Illinois Valley conference race, a fact which throws all the more emphasis on the clash this week end between the Railroaders and Pittsfield. That should be one well worth watching.

THE OTHER STRONG TEAMS in the Ivy loop haven't lived up to advance predictions—witness White Hall's losses to Carrollton and Roodhouse and the I. S. D. setback at Carrollton. And, Jerseyville was not too impressive in beating Winchester.

WAVERLY'S SCOTTIES came through to put plenty of cheer into a homecoming crowd Friday night. Can't you just imagine what happened to that large crowd—seeing its first homecoming tilt under lights—when the home team broke a 0-0 tie with a marker in the last six seconds. It was a great reward for Coach Lyle King. And we'll bet that dance was dandy.

ONLY 14 PLAYERS are out for the Divernon football team this season. Let's hope they are spared many injuries. The team will be playing its first M.S.M. conference game Tuesday.

THE DIVERNON SITUATION recalls the last year that Routt attempted to field an eleven-man club. Scrimmage was not possible because there weren't two full teams. And, when several players were hurt in the I.S.D. game, none were available to fill the spots.

Stan Mauldin, Star Pro Gridder, Dies Of Heart Attack

Chicago, Sept. 25.—(P)—Stan Mauldin, 27-year-old star tackle for the Chicago Cardinals, died early today of an apparent heart attack in the club's dressing room at Comiskey Park.

Mauldin collapsed after taking a shower. He had played part of the Cardinals-Philadelphia Eagles game which opened the National Football League season in Chicago.

The 225-pound former University of Texas athlete played only part of the game. During the last half he raised his hand on the field, signaling that he wanted to be relieved, a customary gesture of linemen who wish a substitute to replace them.

He returned to the bench and "sweated out" the closely fought contest with many of his teammates. The Cardinals made their winning touchdown—21-14—in the last four minutes on a pass. It was then that Mauldin told his coaches, Jimmy Conzelmann and Phil Handley, "I want to get back in there... let me go."

Those were the last words the coaches heard him speak.

Mauldin, father of a 5-year-old son, Daniel, played the last two minutes while the Cardinals, National League champions, sealed their victory. He went to the dressing

room with his excited and happy teammates. As he undressed, he complained of a headache. After he showered he commented: "That was a pretty nice game we won, fellows." Then he collapsed.

An emergency rescue squad was summoned. They placed an oxygen mask over his face and worked over him for one hour and 20 minutes as his teammates grouped solemnly in the dressing room. He was pronounced dead at 1:03 a. m. (CDT) by Dr. Sidney Portis, a heart specialist, who had been called in.

Mauldin's wife, Helen, was with him when he died.

Dr. Portis said Mauldin died of "either a hemorrhage at the base of the skull or a massive coronary attack." It was the first such fatality in pro football history in Chicago.

Cardinal night games start at 8:30 with the final game of the season Sunday afternoon at 2:30.

The Indians bent saplings to mark trails and these have grown into curious shapes still observed today.

Illinois Passes Result In 40 To 0 Win; Purdue Loses To Irish 28-27

Champaign, Ill., Sept. 25.—(AP)—The University of Illinois Saturday unveiled a pair of freshmen—junior Tommy Stewart and Bernie Krueger—whose bullet passes touched off five last half touchdowns to give the Illini a 40-0 triumph over Kansas State.

Passing Twins

Stewart, from Gary, Ind., and Krueger, from Hammond, Ind., took a free hand in a great aerial display. A crowd of 29,593 cheered the Illini as they overcame stubborn Kansas State with three touchdowns in the third period and two more in the fourth after holding a slim 7-0 half-time margin.

Illinois piled up 229 yards rushing and added 185 yards through the air. Ten out of 16 tosses were completed.

The scoring began with a 40-yard drive ending with Schmidt's six-yard plunge. In the third period, Patterson scored on a three-yard double reverse. Schmidt went two yards for another after a 47-yard surge featured by Stewart's 30-yard toss to Slip Kersulis, and after a 52-yard pitching spree by Stewart, Patterson caught a pay-off toss of 15 yards.

State suffers injuries. Krueger tossed 25 yards to Jim Valek for the fifth touchdown. A 68-yard ground assault led by Steger and capped by Edlemann's four-yard plunge brought the final score. Bob Macchett made four place kick conversions.

Kansas State's sopomores were plagued with mishaps. Halfback Dana Atkins was hurt at the outset of the first quarter. End Glenn Channel was taken to a hospital with an arm injury in the third. Halfback Koonitz was helped off the field in the fourth. End Rollin Prather was ruled out of the field by officials in the last minutes, charged with fouling an Illinois player.

Iowa, Ohio, Minnesota Win Grid Encounters

Iowa City, Iowa, Sept. 25.—(AP)—An erratic Iowa football team opened its season today with a 14-12 victory over Marquette in a bruising contest.

Iowa, its offense sputtering under the hard charges of a big hill-topper line, pulled out the victory on a two-yard dash around Marquette's right end by sophomore Jerry Faske. There were three minutes and 40 seconds remaining when Faske did his stunt.

Ron Headington added the second of his two vital points after touchdowns to give Iowa a 14-12 advantage. The first half was scoreless, but the offensive momentum picked up immediately after the start of the second.

Ohio Swamps Missouri. Columbus, Ohio, Sept. 25.—(AP)—Ohio State, showing surprising power in all departments, launched its 1948 football campaign today by defeating Missouri's ever-trying Tigers, 21-7, before a crowd of 57,042.

Ohio moved 88 yards in nine plays for its first marker. Pendlar Savin sparked the drive with a 35-yard pass to Bob Dorsey and a 13-yarder to Mike Cannavino. This put the ball in position for a 14-yard scoring run through center by fullback Joe Whisler.

Early in the third session, Bob Dorsey plucked a Missouri pass out of the air on his own 30 and ran back to midfield to send the Bucks in for their second score, Jimmy Clark reeling three around end for the counter.

Mike Ghnoully set the Missouri state early in the final period with a 47-yard punt return to the Ohio 26. Bus Entsminger finally sneaked for the score.

With their lead cut to 13-7, the Bucks roared in for another touchdown after the kickoff. Sub fullback Fred Morrison plunged two for the score, climaxing a 10-play, 65-yard drive.

Late in the fray Entsminger's pass was grounded in the end zone for a safety and the final two points.

Minnesota Raps Washington. Seattle, Sept. 25.—(AP)—A little streak of lightning—Everette Faunce of Fergus Falls, Minn.—broke up a tight football argument today by rambling 66 yards to the last quarter-touchdown that set the stage for a 20-0 Minnesota victory over Washington.

For three and a half periods Washington's huskies stalled the vaunted Minnesota machine. A crowd of 40,000 filling the Washington Stadium, believed a scoreless tie was almost certain when Faunce cracked the game wide open.

KNOX SQUEEZES WIN FROM SOUTHERN CENTRAL. Naperville, Ill., Sept. 25.—(AP)—Knox College capitalized on a fumble in the final seven minutes of play today to open its football season with a 7-0 victory over North Central.

Don Albright hopped onto a North Central fumble on the Cardinal's 28 yard line in the final period to pave the way for the score. Halfbacks Ted Rennacker and Jack Underwood took turns cracking the Cardinal line and Underwood finally put it over the line. Bill Gunnison placed kicked the extra point.

Braves Need One Victory To Clinch Pennant, Lose 3-2

Boston, Sept. 25.—(AP)—The New York Giants today spoiled Boston's chances of clinching the National League flag by defeating the Braves 3-2 before 15,377 fans.

However, the St. Louis Cardinals also lost so the Braves are better off than they were before the game. One more victory and the tribe can win its first pennant since 1914. The Braves and Cards both have seven games left to play.

Pirates Rout Reds. Pittsburgh, Sept. 25.—(AP)—The Pittsburgh Pirates hopped on three Cincinnati hurlers for 20 hits today as they walloped the Reds 16 to 6 before a chilled gathering of 7,766.

Rookie Bob Chernes scattered 10 hits in notching his 14th victory of the season against five losses. Jim Blackburn, who relieved Howard Fox in the third, was the loser.

Cubs Edge Cardinals. Chicago, Sept. 25.—(AP)—The St. Louis Cardinals' faint hopes of capturing the National League pennant were jolted almost into oblivion here today as the cellar-ridden Chicago Cubs rallied for three runs in the ninth to edge the Red Birds 3 to 2.

The Cards trail the leading Braves by six and one-half games. Howie Pollet, who had a two-hit shutout going into the last frame, was the loser.

Dorley Lade went the route for the Cubs and held St. Louis scoreless until the eighth when the Red Birds pulled ahead with a brace compiled on four hits.

Bums Lick Phils. Philadelphia, Sept. 25.—(AP)—Brooklyn combined six hits with four Philadelphia errors for a 3-0 victory over the Phils here Saturday night.

Indiana Upsets Wisconsin Team In Big 9 Opener

Madison, Wis., Sept. 25.—(AP)—George Talaferro ran, passed and punted Indiana to a crushing 35 to 7 victory over Wisconsin in the Big Nine conference grid opener Saturday.

The Hoosiers' giant negro half-back made Coach Clyde Smith's debut a happy occasion as he scored three times, pitched passes when they were needed and occasionally punted his club out of trouble.

The Hoosiers produced touchdowns in every quarter. They struck in a hurry when Talaferro took a Badger punt and romped 68 yards behind slashing blocking. George Parker then added the first of five placekicks for the extra point.

A pass, Nick Zebek to Frank Hoppe brought another first period score. The play covered 24 yards. The Badgers traveled 55 yards late in the first period, and counted on the first play of the next quarter when Wally Dreyer cut over for two yards. Lisle Blackburn converted to make the score 14-7.

Talaferro scored again in the second period on a one yard jolt over guard following Joe Polce's recovery of a Wisconsin fumble on the five. The half ended 21-7.

The parade of Indiana touchdowns continued in the third quarter. Dreyer fumbled on his own 16 and Indiana recovered. Milan Sellers and Talaferro alternated in carrying the ball to the four from where Talaferro plowed over right tackle for his third T. D.

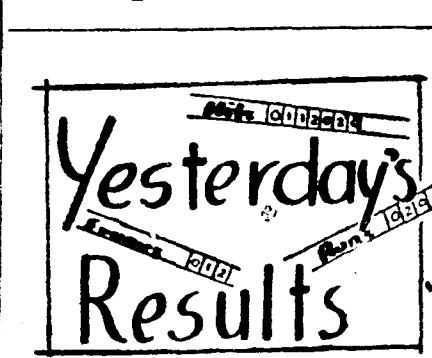

Keeping the game in Badger territory, the Hoosiers registered their last touchdown in the final quarter when Ernie Kovatch, reserve end, snatched a stray Badger pass on the Wisconsin 35 and ran un molested in to the end zone.

PITT FALLS BEFORE SMU ELEVEN 33-14. Pittsburgh, Sept. 25.—(AP)—The Mustangs of Southern Methodist University trampled the University of Pittsburgh 33 to 14 under sunny skies in Pitt stadium Saturday on solid running by star Doak Walker and sharp passing by Gilbert Johnson.

Pitt passed across two touchdowns on passes into the end zone in the final quarter. SMU's Johnson, from Tyler Texas, rivalled Walker as the star performer. He threw nine passes, all completed, and accounted for a gain of 207 yards. Walker, the man the crowd of 31,400 wanted most to see, completed three out of four passes for 33 yards. He pitched one for SMU's first touchdown. Walker also caught a touchdown pass and ran 76 yards for a third score on a punt return.

Counting Chickens

Ronald Mazur backs his belief in the Indians ordering 50,000 pennants. The management fears the flags may put the whammy on the club's chances, but not the Cleveland novelty man. If the Tribe doesn't win, he can clip away the wishful sentiments at the bottom, and sell them plain.

Rock Island, Ill., Sept. 25.—(AP)—Augustana's Vikings opened their little nine conference football season Saturday by crushing Elmhurst, 44-7. Thirty-eight men on the Viking squad took part in the rout as Augustana scattered six touchdowns through the four quarters.

"SALOON" KEEPERS BATTLE. Madras—(P)—Three Madras barbers who have made a fortune in Malaya returned home and started shops of their own in one of the busiest streets of the city.

WITH BLURBS. The first called his "the best saloon in India." And the second, to excel his rival, called his "the best saloon in the world."

The third simply styled his shop: "the best saloon in the street."

In India, saloons means barber's shop.

Counting Chickens

Lincoln, Neb., Sept. 25.—(AP)—Nebraska and Iowa State, ranked the dark horses of the Big Seven conference, waged a whale of a battle here Saturday with the Nebraska winning 19 to 15.

An overflow crowd of around 36,000, largest ever to see Iowa State play here, sat under a burning sun for the game, first conference contest of the season.

Heads-up play by a substitute guard in the second quarter provided the margin of Nebraska's victory. The score was 6 to 2 for Nebraska when Sub Guard Fred Hawkins scored his heads-up touchdown.

Nebraska was on the Iowa State 43 when Cletus Fischer passed wide to End Bob Schneider, who ran about 10 yards, then fumbled. The ball bounced toward the Iowa State goal and Hawkins, traveling full speed ahead, gobbled it up to go 23 yards for the touchdown and a 12 to 2 lead.

CORRECTION. In Saturday's Journal, Pleasant Hill was identified as the loser in a Friday night game at Pittsfield. The losing club was actually Louisiana, Mo., which had beaten Pleasant Hill a week prior. Pittsfield does not play Pleasant Hill until Friday afternoon, October 15. The tilt will be at Pleasant Hill.

BABY SITTER SERVICE DE LUXE. Middleburgh, Eng.—(P)—Can't go to the movies? No baby-sitter? That's no problem here. The movie-house will provide one, deliver her in a taxi and then drive you to the show. When it's over, they'll take you home and pick up the sitter.

A Middleburgh movie-house has hired 30 girl sitters and is footing the bill for the first week.

Counting Chickens

There'll be football aplenty in this area next week as every eleven takes to the field.

The Illinois Valley conference opens its chart which will fill the next seven weeks for the eight competing schools. And Jacksonville teams are seeing action again.

Crimsons at Beardstown. Jacksonville high school, after two toms tilts, takes to the road again Friday night, this time traveling to Beardstown to open the Central conference schedule. J. H. S. will be out to hold the striped jug which it won in baseball last spring.

Illinois School for the Deaf is scheduled for another high school game, entering Waverly on Saturday afternoon at the west end of the field.

Illinois college is scheduled to play at home for the first time, tackling the Principia college eleven at Jacksonville high school field Friday night.

Attracting considerable attention in this area is the Friday night clash at Pittsfield between the Saukies and the Roadhouse Roadrunners. The two outfits are apparently the cream of the crop in the Ivy loop this year, and the winner should have fairly smooth sailing all the way to the championship.

Thursday Night Game. White Hall and Winchester open the week end card with their Thursday night encounter on the Winchester field. The game is slated for Thursday so that Ivy loop fans can get a big share of football entertainment.

One combat is carded for Friday afternoon, Pleasant Hill entertaining the Greenfield aggregation. Pleasant Hill has suffered two one-sided reversals in non-loop frays.

The other Illinois Valley contest pits Carrollton against Jerseyville on the Jerseyville field. These two teams are pretty well matched and should put on a fine show.

Cleveland Tamps Detroit. Detroit, Sept. 25.—(AP)—Gene Bearden, the pitcher the New York Yankees gave up on two years ago, kept the Cleveland Indians in a tie with Boston for the American League lead today when he hurled the tribe to a 9-3 victory over the Detroit Tigers.

The triumph gave Cleveland 92 victories against 56 defeats, the same as the Red Sox who knocked the Yankees out of a three way tie into third place, one full game behind, when they whopped the Bronxites in their back yard, 7-2.

Nebraska Nips Iowa State 11-15 Saturday. Lincoln, Neb., Sept. 25.—(AP)—Nebraska and Iowa State, ranked the dark horses of the Big Seven conference, waged a whale of a battle here Saturday with the Nebraska winning 19 to 15.

An overflow crowd of around 36,000, largest ever to see Iowa State play here, sat under a burning sun for the game, first conference contest of the season.

Heads-up play by a substitute guard in the second quarter provided the margin of Nebraska's victory. The score was 6 to 2 for Nebraska when Sub Guard Fred Hawkins scored his heads-up touchdown.

Nebraska was on the Iowa State 43 when Cletus Fischer passed wide to End Bob Schneider, who ran about 10 yards, then fumbled. The ball bounced toward the Iowa State goal and Hawkins, traveling full speed ahead, gobbled it up to go 23 yards for the touchdown and a 12 to 2 lead.

CORRECTION. In Saturday's Journal, Pleasant Hill was identified as the loser in a Friday night game at Pittsfield. The losing club was actually Louisiana, Mo., which had beaten Pleasant Hill a week prior. Pittsfield does not play Pleasant Hill until Friday afternoon, October 15. The tilt will be at Pleasant Hill.

CAUTION, prudence, reason, all left him in a rising terror of losing her forever. Moving instinctively on the split second, as he had done a hundred times in his life before, he lunged across the room and knocked the gun on to the floor by sweeping his hand through hers—so that she was left staring at her empty fingers and at the gun where it lay on the carpet at the edge of the bed.

"Hilary!" she whispered, and her feverish eyes searched the room again minutely, without success.

"I had to stop you," he said apologetically. "There is some sort of pattern. Don't ever meddle with it."

"Hilary, wherever you are, you've got to hear me! You've got to come back and help me!" "I did come back," he said. "Don't let them do this to me! Don't let them take me away! I'm safe here with you—I'm afraid to go—"

"I know, sweetheart—I know." "Afraid, afraid, Hilary, can't you hear? Dreadful things can't happen to me here—please let me stay!"

"Not like that, Sabrina—that won't help."

"You don't answer," she said hopelessly, and put both hands to her throbbing temples. "I can't hear you. You won't help me. What shall I do?"

AUNT EFFIE'S voice, too bright, too brisk, too firmly implying that all was right with the world, floated up the stairs.

"Sabrina! We're waiting!" "What shall I do?" she said again, between her hands.

There was no answer he could give but silence. He withdrew backwards to the window seat, moving with infinite care, and sat down there remotely, striving now to eradicate himself from her consciousness after that one moment's reckless contact. He had done all he could, he did not dare do more.

She gazed about her a moment longer forlornly. She went to the desk and picked up his little brown pipe with caressing fingers. "Could I take this with me?" she asked, and waited hopelessly for his reply. "Hilary—please?"

But he sat very still on the window seat, cutting himself off from her deliberately.

Aunt Effie called again, from the foot of the stairs.

"Sabrina! Your father's in a hurry!"

With a sigh, she replaced the pipe on the desk and left the room empty-handed, drooping, numbed with despair.

A docile automaton, she collected her hat and coat and bag at Aunt Effie's bidding and went down to where the car was waiting outside the front door. Bareheaded, with her coat over her arm, she climbed obediently into the rumble seat with the suitcases.

heard Aunt Effie making bright farewells to Mrs. Pilton, heard minute directions given by her father regarding the despatch of his luggage to the lodgings in Wells, heard her own voice asking Mrs. Pilton to please be kind to Muffin.

THE big black limousine driven by a uniformed chauffeur was coming from the left, much too fast for so narrow a lane. Aunt Effie's wide and always uncertain turn out of the gate to the left covered much more than her half of the road, just where the branches of the old oak overhung the hedge. There was a blast of the limousine's horn, a grinding of brakes, a thudding crash, and then a sharp, snapped-off scream.

The nose of the big limousine was jammed into the side of the smaller car, which was tilted at a crazy angle with two wheels clear of the ground. The chauffeur, who was merely shaken up a little and whose glass was all intact, jumped out and ran, white-faced, to where Sabrina had been thrown clear into the ditch.

She lay very still, face down. As he turned her over and raised her in his arms, Mrs. Pilton came running down the drive, and Father limped towards them, dabbing with his handkerchief at a long cut in his cheek from the broken windshield. Aunt Effie had quietly fainted behind the wheel.

Father stood staring down at the chauffeur's quiet burden.

"She was in the back," he was saying in a dazed, apologetic sort of way. "There was nothing for her to hold to—she must have been shot out on her head. Is she all right?" He peered suddenly into the man's rigid face, in growing apprehension. "Is she all right?" he insisted.

"I—don't know," said the chauffeur between stiff lips. "I—can't be sure."

"Hilary—Hilary, where are you?" She had reached the second flight of stairs already, on her way to him. "Hilary, something's happened—I don't have to go, after all—"

Then she saw him.

A GENERATION from now, on a summer day, three village children will come along the lane and pause at the sagging gate of Nuns Farthing, gazing in at the riot of untended bloom which was once the herbaceous border. And one of them, a visiting cousin from the next county, will express a desire to pluck such lovely flowers, all going to waste on an empty house where the window glass is latticed by uncut tendrils of Virginia creeper, where a top-floor shutter is flung wide to the sunlight, and the casement stands open in the June heat.

"Come away, Mildred, do!" the others will advise her in lowered tones, dragging her back from the weed-grown drive into the lane again. "We never go there—it's haunted!"

Half A Dozen GAR Veterans To Hold Encampment

Grand Rapids, Mich.—(AP)—A half dozen tried veterans of the Grand Army of the Republic will close ranks here Sunday and begin their 82nd annual national encampment.

The aged men, now far outnumbered by the many allied orders that have grown up around them, will represent the nation's 28 survivors of the boys in blue.

It will be, inevitably, the smallest GAR convention in history. But as in years past the veterans will be honored as the men who in their youths helped the north win the war between the states.

The United States Marine band, whose presence is ordered by special act of congress, will be here throughout the five-day program. An honor guard of police and firemen will welcome them. They will ride in specially decorated cars during their annual parade.

W.C.T.U. WILL MEET AT SHUTLUTS HOME

All members and friends are invited to attend.

Romana Tucker, Max Fross Married In Macomb Church

A lovely single ring ceremony in which Miss Romana Tucker, daughter of Mrs. Edith Tucker, 407 East Douglas ave., became the bride of Max Fross, son of Frank C. Fross, South Sandy street, was solemnized Saturday afternoon at 4 p.m. in the Camp Creek Presbyterian church, Macomb, Illinois.

The Rev. Robert Meads received the vows, while Mr. Meads presided at the organ, playing the wedding march and "I Love You Truly."

Miss Audrey Tucker, sister of the bride, attended the couple as bridesmaid, while Lynn Fross, brother of the groom, was best man.

The bride was dressed informally in a street-length dress of grey gabardine with which she wore black accessories. She wore a corsage of white roses. The bridesmaid chose a dark grey gabardine dress with black accessories, and wore a corsage of white gladioli and red roses.

Mrs. Edith Tucker, the bride's mother, chose a black dress with white accessories. She wore a corsage of pink gladioli.

Merchants To Sponsor 3rd Shop And Show Day

Boys and girls of school age have been invited to be the guests of Jacksonville business men at a free show on Friday, Oct. 1. This Shop and Show Day, as it is called by the merchants, is being sponsored for the third time by the retail council of the Jacksonville Chamber of Commerce.

The invitation includes all boys and girls in the Jacksonville trade area who will be on vacation while their teachers attend teachers institute.

Two complete free shows will be held in the Fox Illinois theatre. The first show will begin at 9 a.m. and the second at 10:30 a.m. Youngsters will be admitted free to either show. No ticket is needed.

Letters were mailed to all grade schools in the county giving a special invitation to the students to attend the show as guests of the Jacksonville business men. The letter pointed out that the merchants wanted to help the boys and girls have fun on their first vacation this year, and suggests that they "just walk in. The merchants have paid the bill, and you are to enjoy the show as their guests."

Jacksonville retail stores plan to offer special bargains for the day so that Dad and Mother can enjoy the day by taking advantage of the special savings and good merchandise values.

This event, which has been sponsored on two previous years by the merchants, has always proved very popular with the students and their parents. A capacity crowd is expected.

Dr. S. A. Guthrie Plans To Attend Church Meeting

The Rev. Dr. Sidney A. Guthrie of Jacksonville, superintendent of the Jacksonville district of the Methodist church, will be among the 800 leaders of that denomination who will attend a nation-wide conference in Columbus, Ohio, Oct. 4-5, when the new quadrennial plan of Methodism will be officially launched.

Known as "The Advance for Christ and His Church," the four-year program will have two major objectives—a world-wide preaching and teaching mission to deepen the understanding and devotion of the church's eight and a half million members and an over-all increase in giving that will undergird the church's missionary enterprises and overseas relief.

Bishop Martin will give the keynote address at the two-day assembly, which will also have on its program more than a score of the church's top-flight clergy and laymen. Bishop James C. Baker of Los Angeles, Calif., president of the council of bishops, will preside at the opening session Monday morning and Bishop Hazen G. Werner of Columbus, official host to the gathering, will lead the opening devotions.
